# Your Career Starts Here

Score Group plc is an international organisation providing engineering services, primarily to the oil and gas industries. We currently employ over 1700 people, with locations in 17 countries. The principle products we work with are Valves and Industrial Gas Turbines where we provide Intelligent Valve and Gas Turbine Solutions™

Today, Score employs over 100 trainees annually and our apprenticeship scheme has twice won national awards making it one of the most successful in the UK. We are committed to making our apprenticeship scheme even more successful and we're searching for people to be part of it.

Why don't you come and join us?

## Engineering Apprenticeship Timeline

**Year 1** Full time education in a training centre or college.  
Gain the PEO level 2 award and start a National Certificate.

**Year 2** Complete the National Certificate on day release.  
Learn skills on the job.

**Year 3&4** Gain a level 3 vocational qualification during on the job training.  
Complete a Higher National Certificate.

**Year 5-6** Specialise in an engineering discipline.

Score's apprenticeship scheme is a fantastic way to acquire qualifications, experience and knowledge whilst at the same time, earning your wage and contributing to society.

During your apprenticeship you will learn and develop new skills mentored by highly experienced individuals in the industry. Your chosen career is off to a great start.

I have more questions, who can I ask?

Our apprenticeship and HR Teams are here to help you with any questions you may have.

Can I choose where I work?

Again depending upon the industry you choose, there are a variety of options & opportunities as your apprenticeship progresses.

Can I work offshore?

Yes after completing Level 3 of your apprenticeship along with offshore survival training there are opportunities to work offshore and overseas.

Can I be an apprentice?

Anyone aged 16 years and over can benefit from an apprenticeship. Whether you are a school leaver, or already in a job looking to boost your career prospects, or looking to start in a new career direction, then an apprenticeship is for you. Entry requirements will vary depending on the type of apprenticeship and industry.

When can I start?

We have 2 intakes per year, in summer and winter. Visit our website or contact us for more details.

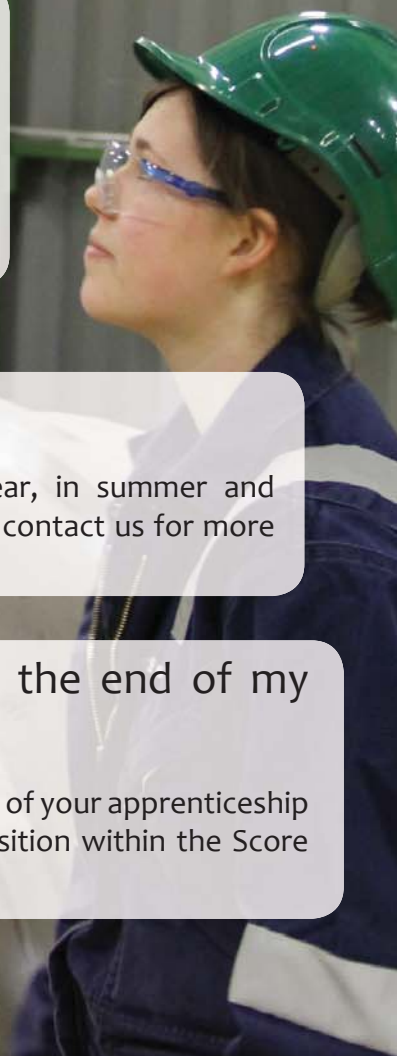

How long will my apprenticeship take?

We at Score believe in quality apprenticeships & training. Dependent upon the industry you choose this will be a minimum of 4 years with further training throughout your career with us.

What happens at the end of my apprenticeship?

On successful completion of your apprenticeship you will be granted a position within the Score Group of Companies.
